Hi Michael,

Please look at the attached to make sure its good with you before I send it for editing.

I think we are going to move ahead with the Fetzer Center and see how that goes. I've also blocked two open house times – if you had thoughts on that let me know. We will probably rent the space for the entire time, but I thought you might want a break in there – if not I can make it from 1-7 if you want.

Let me know - thanks!

Diane Russell
